1.3. **Drug and Service State Licensing Requirements.** Purchaser agrees to maintain all state-mandated licenses and permits required to purchase, use, and/or dispense Product. Purchaser shall provide all applicable licenses and permit information to Rockwell promptly upon request.

1.4. **Tax, Tax-Exempt Status and Other Fees.** Purchaser agrees to pay all applicable federal, state, and local taxes and all other fees and costs based on Purchaser's purchase or use of a Product. In the event Rockwell is required to pay such tax, fee or cost, Purchaser shall reimburse Rockwell within ten (10) days of receipt of an invoice from Rockwell.

1.5. **No Prohibited Use of Product.** Purchaser will not use, resell, transfer or distribute any Product directly or indirectly for any unlawful purpose.

1.6. **Mixers.**

(a) Purchaser agrees that Dry Acid Mixer Units ("**Mixers**") sold by Rockwell are approved by the United States Food and Drug Administration (the "**FDA**") solely for the purpose of mixing Rockwell Dry Acid Powder products. Purchaser shall utilize the Mixers solely for the purpose of mixing Rockwell Dry Acid Powder products for clinical use in the hemodialysis clinics in which such Mixers are placed and shall in no way utilize or permit to be utilized the Mixers for any other purpose, including, but not limited to, the use of the Mixers to mix any non-Rockwell dry acid powder product. In the event that the Purchaser does not do so within the thirty (30) day period, Purchaser will pay Rockwell the difference between the contracted Mixer price and the then-current full list price of the Mixer (the "**Mixer Debt Amount**"). Purchaser hereby irrevocably authorizes and empowers any attorney to appear in any court of competent jurisdiction and confess judgment against Purchaser in favor of Rockwell for the full amount of the Mixer Debt Amount, including any accrued interest at the rate of twelve percent (12%) per annum, or the maximum amount permitted by law, whichever is less, from the Discontinuance Date until paid in full, and any costs of suit, including reasonable attorney's fees in an amount equal to two thousand five hundred dollars (\$2,500). Purchaser waives the right to notice, the right to a hearing, and the right to assert any defenses or counterclaims in connection with the foregoing. Purchaser acknowledges that it has been fully informed of its rights and the consequences of the foregoing confession of judgment. Purchaser consents to the immediate entry of judgment against it in the amount of the Mixer Debt Amount, plus interest and costs as specified above, in any court of competent jurisdiction.

Purchaser represents and warrants that this confession of judgment is made voluntarily, without any duress or coercion, and after having had the opportunity to consult with legal counsel.

(b) Rockwell shall have the right at any time to physically inspect all Mixers sold to Purchaser for the purpose of Rockwell's verifying Purchaser's compliance with Section 1.6(a). Upon reasonable prior written notice, Purchaser shall provide to Rockwell access to such Mixers for Rockwell's or its designee's inspection thereof, along with all books and records associated with the use, maintenance and repair of such Mixers.

(c) The terms and conditions of Appendix 1 attached hereto shall apply to purchase of Mixers. This Section 1.6 shall apply to all Mixers acquired by Purchaser, regardless of when acquired.

In the event of a conflict between an Order form, purchase order and these Terms and Conditions then these Terms and Conditions shall control. 2.4. **Cancellations.** After acceptance by Rockwell, Purchaser’s Order may not be cancelled or reduced in any amount without Rockwell’s written consent. Any other changes to an Order requested by Purchaser will require the prior written approval of Rockwell, which approval may be subject to price adjustments as determined on a case-by-case basis. Refer to [Section 2.2](#) “Lead Time for Product Ordering” for more information related to changes to existing orders.

3. **Freight, Distribution, Shipping and Returns.**

3.1. **Freight and Distribution.** Published prices for Products may not include costs related to delivery, handling and/or installation, which may be arranged and billed separately, if applicable. Title to all Products shall pass to Purchaser upon delivery of the Products to the carrier. Special services related to packing and shipping may be subject to additional service fees.
- Products shipped via Parcel, LTL, FTL, and Container. 3.4. **Inspection/Acceptance; Returns.** Purchaser must inspect delivered Products and report claims for defects, damages, shortages or receipt of wrong products which are discoverable on a visual inspection within two (2) business days of customer receipt, or the Product(s) will be deemed irrevocably accepted and such claims will be deemed waived. However, shipping damage claims must be made by Purchaser directly with the shipping company in accordance with such company's policies. Purchaser will advise Rockwell of such shipping damage claims. Returned product is subject to a partial credit, restocking fee and/or the cost of freight. 3.6. **Storage, Handling and Use.** Purchaser shall: (i) store, handle and distribute its inventory of Products in clean, sanitary and temperature-controlled conditions as required to maintain the quality and traceability of the Products, and in accordance with FDA approved labeling for the Products; (ii) not alter the Products in any manner; (iii) comply with all applicable laws in connection with the storage, handling, distribution and use of the Products; and (iv) not make any false or misleading representations to customers or others regarding the Products. Purchaser shall ensure that the Products are used in accordance with all applicable operating manuals and instructions.

3.7. **Custom Products.** Rockwell custom Products require a minimum commitment of one thousand (1,000) gallons and contain a fifteen percent (15%) price premium per Product ordered and must be purchased and delivered within six (6) months or less. Any custom Product ordered but not purchased and delivered within the six (6) months shall be invoiced to Purchaser and subsequently delivered with charges applied.

3.8. **Alternate Delivery.** If Purchaser chooses to have Products delivered through a third-party logistics (3PL) provider, Rockwell retains the right to adjust price appropriately or levy an additional charge for delivery. If a facility is a Non-Serviceable Facility, Rockwell retains the right to charge Purchaser separately for delivery.

3.9. **Product Recall.** Rockwell will notify Purchaser promptly upon the occurrence of a Recall (defined below) for any Products purchased by Purchaser directly from Rockwell. Rockwell shall be responsible for implementing the Recall and upon Purchaser's reasonable request, Purchaser shall fully cooperate with Rockwell to implement the Recall. The Products subject to Recall shall be deemed non-conforming and Rockwell shall pay to Purchaser, with respect to Products manufactured by Rockwell, Purchaser's reasonable, documented out-of-pocket expenses incurred in connection with such Recall, provided such expenses are preapproved by Rockwell. With respect to Products not manufactured by Rockwell, Purchaser may submit a claim for such recalled Products pursuant to Section 5.1(d). "Recall" shall mean any action by Rockwell or any governmental authority whether voluntary or involuntary, to recover title to or possession of Products sold or shipped, including Product recalls, market withdrawals, and field corrective actions.

4. **Billing and Payment.**

4.1. **Terms of Sale.** Billing and payment shall be in US Dollars, unless otherwise agreed in writing by the parties. All Orders are subject to credit approval and acceptance by Rockwell. Standard payment terms are net thirty (30) days from the date of invoice. Payment terms are in effect as of the date of the Order. Payment shall be made to: 3498 Paysphere Circle, Chicago, IL 60674. Credit card payments are subject to approval by Rockwell's credit and collections department and are subject to an additional fee. Contact your Customer Care Representative for more details. A service charge of one and one-half percent (1½%) per month (or the highest amount allowed by applicable law, if lower) shall be added to all amounts past due. Additionally, Rockwell reserves the right to require all pending and future orders to be on a prepaid basis.

4.2. **Prices.** Product is priced at the amount indicated for the selling unit of measure ordered. Prices and specifications are subject to change without notice. All shipments are billed at the price in effect on the date of the Order. Product is billed upon shipment. Product prices are exclusive of all taxes, shipping costs, discounts or rebates. Rockwell may further change the prices of Product(s) at any time and without prior notice unless Rockwell otherwise agrees in writing to expressly provide prior notice to Purchaser.

4.3. **Discount Disclosure Statement.** Any discounts, rebates, incentives, or other reductions in price issued by Rockwell to Purchaser under these Terms and Conditions may constitute a discount within the meaning of 42 U.S.C. §1320a-7b(b)(3)(A) and/or 42 U.S.C. §1320a-7b(b)(3)(C). Purchaser may have an obligation to properly disclose and appropriately reflect such discount to any state or federal program that provides cost or charge based reimbursement to Purchaser for the items to which the discount applies. Purchaser agrees to make proper disclosures of any and all discounts, rebates, credits, reimbursement and other like programs. Purchaser agrees to comply with all applicable laws when seeking reimbursement from any government entity for Products supplied under these Terms and Conditions. Rockwell will report all

discounts on the invoices, coupons or statements submitted to Purchaser. Where the value of a discount is not known at the time of sale, Rockwell will report the existence of the discount program on the invoices, coupons or statements submitted to Purchaser, and when the value of the discount becomes known, provide Purchaser with documentation of the calculation of the discount identifying the specific goods or services purchased to which the discount will be applied. For Product provided to Purchaser, Purchaser acknowledges the value of such Product. Purchaser further acknowledges that this dollar value is a “discount or other reduction in price” on the Product under Section 1128B(b)(3)(A) of the Social Security Act (42 U.S.C. 1320-a-7b(b)(3)(A)). Purchaser shall disclose the discount or other reduction in price under any state or federal program which provides cost or charge-based reimbursement to Purchaser.

4.4. Security Interest. To secure all of Purchaser’s obligations to Rockwell hereunder, Rockwell hereby reserves and Purchaser hereby grants to Rockwell a purchase money security interest in all Products purchased by Purchaser from Rockwell, all inventory consisting of Products purchased from Rockwell, together with any and all proceeds and other amounts from time to time paid or payable under or in connection with any of the foregoing, upon sale, lease, rental or other disposition or otherwise, whether permanent or temporary and whether voluntary or involuntary, including, without limitation, any and all rents, lease payments, money, cash or cash equivalents, accounts receivable, contract rights, chattel paper, documents, instruments, deposit accounts and general intangibles now existing or hereafter arising from or related to such property. Purchaser hereby authorizes Rockwell to file any and all documents or instruments, including without limitation, financing statements and continuation statements, which are reasonably necessary to perfect or continue such security interest. Upon the occurrence of any default by Purchaser under these Terms and Conditions, Rockwell shall have all rights provided by the Uniform Commercial Code and otherwise available by law.

4.5. Credit Availability. Rockwell may terminate any credit availability within its sole discretion. Purchaser understands that Rockwell is relying on the truth and accuracy of the information provided to Rockwell in any application for credit, as well as any other information provided to Rockwell such as financial statements. Purchaser authorizes Rockwell to conduct any credit investigation of Purchaser deemed necessary, including, but not limited to personal credit information about guarantors, general partners, proprietors and individual applicants. Purchaser hereby explicitly authorizes trade and bank references to release credit information to Rockwell.

4.6. Credit and Disputes.

(a) Only amounts which are disputed in good faith may be withheld from payment pending resolution. Any portion of an invoice not in dispute must be remitted within the payment terms of each sale. All disputes must be submitted in writing to Rockwell’s credit and collections department within thirty (30) days from the date of invoice. All disputes or rights are waived unless the Purchaser’s complaint has been received by Rockwell within such thirty (30) day period.

(b) If Purchaser disputes an invoice or portion of an invoice and such dispute is invalid or incorrect, Purchaser will pay additional charges referenced above (in [Section 4.1](#)) on any unpaid amounts in dispute. Such charges will begin to accrue on the date payment was originally due.

(c) Rockwell reserves the right to place a hold on Product(s) deliveries to Purchaser should Purchaser continue to withhold payment after multiple attempts to obtain an approved payment commitment.

(d) Purchaser will be liable to Rockwell for all costs incurred by Rockwell in its collection of any amounts owed by Purchaser which are not paid when due, including collection agencies' and attorneys' fees and expenses, regardless of whether a lawsuit is commenced.

5. **Warranties.**

5.1. **Product Warranty.**

(a) **Rockwell Products.** Subject to the terms below, Rockwell warrants that a Product manufactured by Rockwell will be free of defects, within AAMI standards, manufactured pursuant to FDA's Good Manufacturing Practices (GMPs), and otherwise in compliance with all FDA statutes and regulations for the following periods (the "**Warranty Period**"). The warranty does not apply to any Product that is expired, misused, abused, neglected, improperly stored, tampered with or damaged intentionally or by accident (including during shipment), in which case such warranty is void and of no effect. There are no other express or implied warranties, including any warranty of merchantability or fitness for a particular purpose. Except as provided in Section 3.4, notice of a defective Product under warranty must be given to Rockwell in writing within ten (10) days following the discovery of such defect. Any oral or written statement concerning the Products inconsistent with the limited warranty set forth herein will be of no force or effect.

(b) **Disposable products.** Disposable products are warranted for single use only. The Warranty Period will not in any case exceed the expiration on the Product Label.

(c) **Mixers.** Rockwell warrants that the Mixers will be free from defects in material and workmanship, under normal use and service, for a period of one (1) year from the date of delivery (the "**Warranty Period**"). This warranty is limited to the repair or replacement, at Rockwell's option and cost, of any defective Mixers during the Warranty Period, provided that Purchaser promptly notifies Rockwell in writing of the defect within the Warranty Period. The warranty provided in this Section does not cover: (a) damage or defects resulting from misuse, abuse, neglect, accident, force majeure or improper installation or maintenance; (b) damage or defects resulting from unauthorized alterations or repairs; (c) normal wear and tear; or (d) consumable parts or accessories. The warranty provided in this Section shall immediately become null and void if a Mixer is used for any purpose other than to mix Rockwell Dry Acid Powder products.

(d) **Non-Rockwell Products.** Any Products not manufactured by Rockwell will carry the original manufacturer's warranty, copies of which are available on request. Unless otherwise advised, Rockwell will permit Purchaser to submit warranty claims regarding such Products to Rockwell, which will then proceed against the original manufacturer on behalf of Purchaser in accordance with such manufacturer's warranty policy. However, Rockwell takes no responsibility for enforcing such warranty. ROCKWELL MAKES NO WARRANTY OR REPRESENTATION, EXPRESS OR IMPLIED, WITH RESPECT TO ANY PRODUCT NOT MANUFACTURED BY ROCKWELL.

(e) THE WARRANTY IN THIS SECTION SHALL BE IN LIEU OF ANY OTHER WARRANTY EXPRESSED OR IMPLIED OR STATUTORY, AND ROCKWELL MAKES NO IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. ROCKWELL'S SOLE OBLIGATION AND PURCHASER'S SOLE AND EXCLUSIVE REMEDY IN CONTRACT, TORT OR UNDER ANY OTHER THEORY AGAINST ROCKWELL WITH RESPECT TO THE PRODUCT SHALL BE, AT ROCKWELL'S

OPTION, REFUND OF THE PURCHASE PRICE FOR THE PRODUCT BY CREDITING PURCHASER'S ACCOUNT OR THE REPLACEMENT OF THE PRODUCT, AND NO OTHER REMEDY OR DAMAGES THAT ARE OR INCLUDE LOST REVENUES, LOST PROFITS, COST OF REPLACEMENT OR COMMERCIAL LOSS, OR ANY OTHER PROXIMATE, INCIDENTAL, CONSEQUENTIAL, SPECIAL OR EXEMPLARY DAMAGES SHALL BE AVAILABLE TO PURCHASER. ROCKWELL SHALL HAVE NO FURTHER OBLIGATION OR LIABILITY WITH RESPECT TO PRODUCT, OR ITS SALE, OPERATION AND USE, AND ROCKWELL NEITHER ASSUMES, NOR AUTHORIZES THE ASSUMPTION OF, ANY OBLIGATION OR LIABILITY IN CONNECTION WITH SUCH PRODUCT.

6. Limitation of Liability and Remedies. UNDER NO CIRCUMSTANCES WILL EITHER PARTY HAVE ANY LIABILITY TO THE OTHER PARTY FOR, AND EACH PARTY HEREBY EXPRESSLY WAIVES, ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL OR PUNITIVE DAMAGES, AND ANY BUSINESS LOSSES, LOSS OF PROFITS OR RELIANCE DAMAGES, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, WHETHER ARISING OUT OF WARRANTY OR CONTRACT, NEGLIGENCE OR OTHER TORT, OR OTHERWISE. PURCHASER AGREES THAT UNDER NO CIRCUMSTANCES WILL ROCKWELL'S LIABILITY RELATING TO ITS SALE OF PRODUCTS TO PURCHASER FOR ANY CAUSE EXCEED THE PURCHASE PRICE PAID BY PURCHASER FOR THE PARTICULAR PRODUCTS INVOLVED. NOTWITHSTANDING ANYTHING IN THESE TERMS AND CONDITIONS TO THE CONTRARY, THE REMEDIES SET FORTH IN THESE TERMS AND CONDITIONS WILL APPLY EVEN IF SUCH REMEDIES FAIL THEIR ESSENTIAL PURPOSE. NO ACTION MAY BE BROUGHT BY PURCHASER AGAINST ROCKWELL AFTER 12 MONTHS FROM THE DATE OF DELIVERY OF THE PRODUCT, EQUIPMENT AND/OR SERVICES, AND PURCHASER ACKNOWLEDGES AND AGREES THAT THIS PROVISION SHALL BE GROUNDS FOR DISMISSAL OF ANY SUIT OR CLAIM ASSERTED BY PURCHASER AFTER SUCH TIME.

7. Indemnification. To the fullest extent permitted by law, Purchaser will indemnify, defend, and hold harmless Rockwell, including Rockwell's officers, directors, agents, employees, subsidiaries, affiliates, parents, successors, and assigns, from and against any claim, demand, cause of action, debt, liability, loss, fine, damage, or expense (including reasonable attorneys' or legal fees, expenses, and court costs) (collectively, "**Liabilities**") that arises out of or relates to: (i) Purchaser's modification of or addition to any Product(s); (ii) Purchaser's breach of these Terms and Conditions; (iii) Purchaser's gross negligence or willful misconduct; or (iv) Purchaser's failure to abide by all applicable laws, rules, regulations, instructions and orders that relate to the Products or the use thereof. Rockwell at its sole option shall have the right to defend at Purchaser's expense any such Liabilities in which either Rockwell or both Rockwell and Purchaser are named as defendants, or reasonably are expected to be named, and Rockwell shall not be obligated to mitigate losses. Rockwell's conduct of the defense shall not diminish Purchaser's obligation to indemnify Rockwell hereunder. No settlement of such claim shall be made unless such settlement provides a complete and unconditional release of Rockwell. Rockwell has the right to approve counsel or be represented by independent counsel of its own selection. This indemnity shall continue in full force and effect subsequent to Rockwell's fulfillment of an Order and/or completion of its obligations hereunder.

8. Confidential Information. Purchaser may obtain access to or become familiar with trade secrets and confidential information of Rockwell, including without limitation, Product specifications, prices, discounts, manufacturing costs, ideas and technical data ("**Confidential Information**"). Purchaser will hold Confidential Information in confidence and will not use or disclose such information without Rockwell's prior written consent.

9. Medical Devices. If any of the Products are medical devices, Purchaser acknowledges that it is familiar with the U.S. Safe Medical Devices Act of 1990 as amended (the “**Devices Act**”) and the reporting obligations imposed on device users thereunder. In this regard, Purchaser agrees to notify Rockwell within ten (10) days of the occurrence of any event identified in the Devices Act imposing a reporting obligation on Purchaser and/or Rockwell (except for events representing an imminent hazard that require notification to the FDA within seventy-two (72) hours (or such shorter time as required by law), in which case, such notice will be delivered to the FDA and Rockwell within said period). Purchaser will maintain adequate tracking for the Products to enable Rockwell to meet the FDA requirements applicable to the tracking of medical devices.

10. Federal Program Participation. Purchaser represents and warrants that neither it nor any of its current directors, officers, or key personnel: (i) are currently excluded, debarred or otherwise ineligible to participate in federal health care programs as defined in 42 U.S.C. §1320a-7b(f) (the “**Federal Healthcare Programs**”); (ii) have been convicted of a criminal offense related to the provision of healthcare items or services during the last five (5) years; or (iii) have been excluded, debarred or otherwise declared ineligible to participate during the last five (5) years in Federal Healthcare Programs. Purchaser will promptly notify Rockwell of any change in the status of the representations and warranties set forth above.

11. Miscellaneous.

11.2. No License. Purchaser acknowledges that Rockwell is the exclusive owner or licensee of all rights, title and interest in and to the intellectual property embodied in, related to, or associated with Product(s). The sale of Products by Rockwell does not constitute a license, implied or otherwise, for the use of any patents, trademarks, copyrights, know-how or other intellectual property of others, nor does it constitute a license, implied or otherwise, of any patents, trademarks, copyrights, know-how or other intellectual property of Rockwell, except to the extent that the intended use of such Product itself is covered by the claims of a Rockwell patent.

11.3. Export. Purchaser acknowledges that the Products sold under these Terms and Conditions, and the transactions contemplated by these Terms and Conditions, are subject to U.S. customs and export control laws and regulations and may also be subject to the customs and export laws and regulations of the country in which the Products are received. Purchaser acknowledges and agrees that it is Purchaser’s sole responsibility to comply with and abide by those laws and regulations as applicable. Further, Purchaser acknowledges and agrees that under U.S. law, the Products shipped pursuant to these Terms and Conditions may not be sold, leased, or otherwise transferred to restricted countries, any person or entity on the Specially Designated Nationals and Blocked Persons List published by the Office of Foreign Assets Control of the U.S. Department of the Treasury, or utilized by restricted end-users or an end-user engaged in activities related to weapons of mass destruction, including, without limitation, activities related to the design, development, production or use of nuclear weapons, materials, or facilities, missiles or the support of missile projects, or chemical or biological weapons.

11.4. Headings. The section headings used herein are for convenience of reference only and do not form a part of these Terms and Conditions, and no construction or inference will be derived therefrom.

11.5. Governing Law/Venue. These Terms and Conditions, any sales hereunder, and any claim, dispute, or controversy between Purchaser and Rockwell arising from or relating to these Terms and

Conditions, its interpretation, or the breach, termination, or validity thereof, will be governed by and construed in accordance with the laws of the State of Delaware, without regard to conflicts-of-law rules. Any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, these Terms and Conditions shall be brought in a state or federal court located in Delaware and each of the parties to these Terms and Conditions hereby consents and submits to the exclusive jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such suit, action or proceeding and irrevocably waives, to the fullest extent permitted by applicable law, any objection which it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding which is brought in any such court has been brought in an inconvenient forum. PURCHASER IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THESE TERMS AND CONDITIONS OR THE TRANSACTIONS CONTEMPLATED HEREBY.

11.6. Entire Agreement, Amendments and Modifications. These Terms and Conditions constitute the entire agreement between the parties regarding the subject matter hereof. No purported amendment or modification of any provision hereof will be binding unless set forth in writing and signed by an authorized representative of each party. No waiver of any provision hereof will be effective unless in writing and signed by an authorized representative of the waiving party. Any waiver will be limited to the circumstance or event specifically referenced in the written waiver document and will not be deemed a waiver of any other term of these Terms and Conditions or of the same circumstance or event upon any recurrence thereof. The failure of either party to enforce any provision of these Terms and Conditions at any time will not be construed to be a waiver of such provision nor of the right of such party thereafter to enforce such provision. Failure of Rockwell to object to provisions contained in any Order or other communication from Purchaser shall not be construed as a waiver of these Terms and Conditions, or an acceptance of any other terms. Any term or condition, which by its nature survives Rockwell's fulfillment of an Order and/or completion of its obligations hereunder, including but not limited the provisions on warranty, limitation of liability, indemnity, intellectual property and confidential information, shall survive Rockwell's fulfillment of an Order and/or completion of its obligations hereunder.

11.7. Validity. If any provision of these Terms and Conditions is held to be invalid or unenforceable in any respect, the remaining terms and conditions will remain in full force and effect as if such invalid or unenforceable provision had not been included herein.

11.8. Assignment. Purchaser may not assign, delegate, or permit any other transfer of these Terms and Conditions (by stock sale, merger, or otherwise) without Rockwell's prior written consent.

11.9. Third Party Beneficiaries. The transactions between Purchaser and Rockwell shall not be construed to confer or create a third-party beneficiary relationship with any other entity.

11.10. Independent Contractors. No provision of these Terms and Conditions or an Order will be deemed to create a partnership, joint venture, or other combination between Rockwell and Purchaser. Rockwell and Purchaser are independent contractors. Neither party will make any warranties or representations or assume any obligations on the other party's behalf. Neither party is or will claim to be a legal representative, partner, agent, or employee of the other party. Each party is responsible for the direction and compensation, and is liable for the actions of, its employees and subcontractors.
