

Introducing our New Convenience Pack! Lighter and Easier to Handle.

Rockwell Medical is pleased to announce our new Convenience Pack, which includes two 1-gallon pre-mixed containers of one of the following Rockwell Medical hemodialysis concentrates products: RenalPure® or SteriLyte®. Rockwell Medical's Convenience Pack offers patients, caregivers, and healthcare providers a number of advantages including:

- More ergonomic packaging with cutout handles.
- Half the weight of our standard packaging.
- Easier shipping and handling.
- Streamlined workflow.

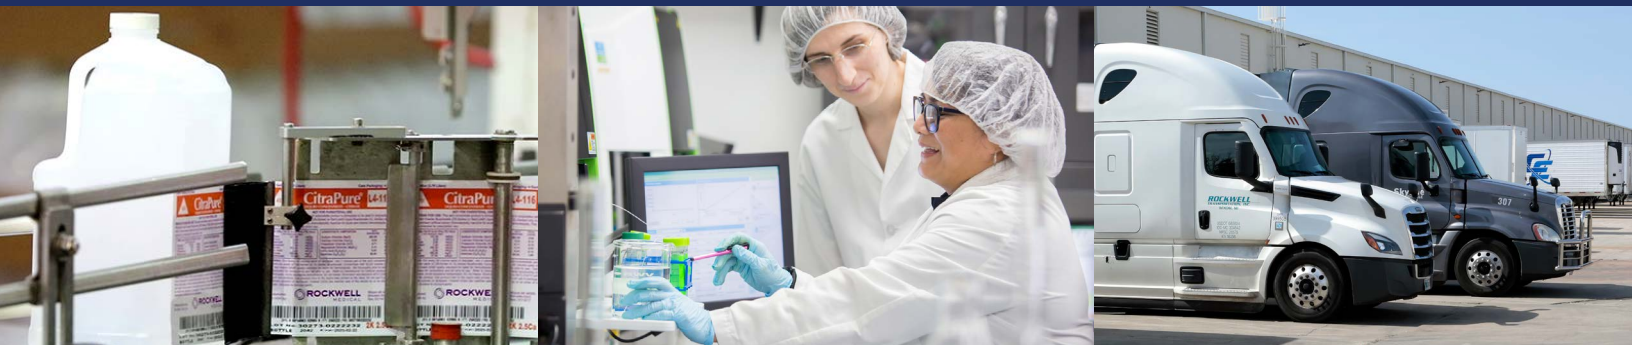

Ergonomic 2-Pack

Lighter • More Convenient • Easier to Manage

Cleaner & Salt Pellets

Rockwell Medical also provides Acetic Acid Cleaner and Salt Pellets for water softening and maintenance of your critical dialysis equipment.

Experience the Rockwell Medical Difference

Exceptional Quality, Excellent Customer Care, Reliable Delivery, Made in the U.S.A.

Rockwell Medical develops, manufactures, commercializes, and distributes a portfolio of hemodialysis products for dialysis providers worldwide. Rockwell Medical's mission is to provide dialysis clinics and the patients they serve with the highest quality products supported by the best customer service in the industry.

Rockwell Medical sources raw materials from several suppliers throughout the United States and manufactures our high-quality hemodialysis concentrates portfolio at facilities located in Iowa, Michigan, Minnesota, South Carolina, and Texas to ensure efficient product distribution.

Rockwell Medical has global reach with a growing network of partners and distributors that can reliably deliver finished products worldwide. We manage our own fleet of delivery trucks through our subsidiary, Rockwell Transportation, to ensure timely delivery and personalized service. When other suppliers can't fulfill their commitments, you can rely on Rockwell Medical to deliver on-schedule and on-budget, every time.

High-Quality Hemodialysis Concentrates for Dialysis Providers

Rockwell Medical provides the hemodialysis community with high-quality¹ products regulated by the U.S. Food and Drug Administration (FDA), reliable delivery services, and a robust Quality Management System. We are ISO 13485 Certified and adhere to current Good Manufacturing Practices (cGMP) and Association for Advancement of Medical Instrumentation (AAMI) standards.

We manufacture a full suite of products including:

- Citric Acid Concentrate Powders and Liquids
- Acetic Acid Concentrate Powders and Liquids
- Bicarbonate Concentrate Powders and Liquids
- Dry Acid Mixer, Cleaners and Accessories
